WOMEN'S SECTION

On Monday 31 May, the Women's Section committee were driven by Taffy in the RSA Van to the airport to catch a flight to Palmerston North.

We were on our way to the Annual RSA National Women's Association Conference being hosted by the Levin RSA Women's Section. On arrival in Palmerston North, we were picked up by a van with a luggage trailer attached and headed off for Levin. There were 10 ladies and the driver in the van. Just out of Shannon, in heavy rain, and traffic travelling at 100 km/hour, with the noise and movement of the van we knew something was wrong. Our driver managed to get us onto the shoulder and stop. When we looked around, the luggage trailer had come adrift from the van and had overturned. We were later told that the trailer had not been attached properly by the rental company, and that safety chain and the cord for the brakes had broken. It was quite harrowing when you think of what could have happened – the van could have tipped with the trailer.

After reporting the accident, our driver managed to retrieve our luggage from the trailer (in the rain) and we continued onto Levin RSA, where we were unloaded with our bags. Some bags were broken/ripped and no longer useable. This was the case for Dodie and Lillian, Diana's case also had some damage. After a welcoming cuppa, we were delivered safely to our respective motels.

The Conference next day went well, but early afternoon, there was a jolt and a wee shake, we had just had an earthquake. The speaker on the stage at the time, said it was no use getting under the tables, as we wouldn't all fit. Luckily, there was no further activity.

Guest speakers included the Minister of Veterans Affairs, RNZRSA National President B J Clark, and the RSA CEO Marty Donahue.

It was great networking with the 33 other sister clubs who had come from all over New Zealand and finding out what they were doing within their sections. All in all an eventful conference.

We will be holding our next **Garage Sale in the club on Saturday 12 June 9.00 am – 12 noon**. Come along and support us – always a good bargain to be had.

Our next monthly meeting is on **WEDNESDAY 9 JUNE**. Door to the club open at 10 am. Meeting to start around 10.30 am.

Don't forget to keep an eye on our Women's Section Noticeboard which is located to the right just before you go into the Dining Room.

WHERE DID THE WHITE MAN GO WRONG?

Indian Chief "Two Eagles" was asked by a US Government official, "You have observed the white man for 90 years. You've his wars and his technological advances. You've seen his progress, and the damage he's done".

The Chief nodded in agreement.

The official continued, "Considering all these events, in your opinion, where did the white man go wrong?".

The Chief stared at the government official for over a minute and then calmly replied, "When white man find land, Indians running it, no taxes, no debt, plenty buffalo, plenty beaver, clean water. Women did all the work, medicine man fee. Indian man spend all day hunting and fishing. All night having sex".

Then the Chief leaned back and smiled, "Only white man dumb enough to think he could improve system like that".
